BENEFITS

All in one

Whatever you need, Toshiba's monochrome printing systems are there to support you. Packed with multifunctional potential the e-STUDIO2309A delivers outstanding performance. Brilliant print quality, crystal-clear colour scans and quick copies are packed in a stylish design. Add the optional fax and these systems comfortably meet all demands of the modern office environment.

With an output speed of 23 pages per minute and as many as up to five different paper sources the e-STUDIO2309A is capable of supporting an entire workgroup. The total paper capacity of up to 1,700 sheets for A5 to A3 format ensures smooth operation without the need to constantly add paper.

Connectivity

This system easily integrates into existing networks. The standard network capability can even be extended with the optional Wireless LAN module, to give you more flexibility.

Various colour scan functions exist, such as Scan to USB, Scan to E-Mail or Scan to Folder, to let you share and manage your electronic documents with complete ease.

Ease-of-use

The intuitive user interface provides highest possible efficiency when operating these new systems. Logical key configuration and a clearly structured menu allow users to enjoy all benefits right from the start.

We are aware that each company has unique needs and requirements. Therefore, the e-STUDIO2309A is designed to adjust to your demands. Thanks to a flexible configuration they offer optimal efficiency.

Take advantage of the versatile functionality to enhance your productivity.
